

# Roar Into Summer Reading

2019

Dear Parents,

Welcome! We look forward to welcoming our new and returning "Cougars" to Limestone Creek Elementary this coming August!

Reading is the most important lifelong skill that we can help our children learn and practice. Even if you're not traveling to faraway places this summer, families can "travel" by imagination through reading.

We are spreading the word out about our Summer Reading Programs. Students that read, completing the reading log requirements, and **return** their completed reading log by **Friday, August 16th** will be invited to a cool dance party!

Don't forget to check out the exciting reading programs at the Palm Beach County Public Library System and at Barnes and Nobles Summer Reading Programs. Stop by or visit their websites at: <http://www.barnesandnoble.com>
